Sub: Development done by World Bank Project
on housing sites.

Ref: Your letter dated 8.4.93.

Dear Sir,

This is to certify that the World Bank Project of
MHADA has undertaken a housing development programme under
the Bombay Urban Development Project financed by the World
Bank. In this project house sites are provided to all the
income groups starting from economically weaker section to
low income groups to middle income groups and ending with
the high income groups. The houses sites which are provided
by the project are serviced sites. All the development work
like roads, sewage line, water lines and electric connection
are provided by the project. Your Society has only to take
the connection to the sewage line, water line, electricity
line which is available on site at your plot. The cost of
this development is included in the World Bank loan for
which the repayment is being done by MHADA to the World Bank
through the Government of Maharashtra.

Yours faithfully,
